MSRP:\$59.99 P/N: PS-SPD-0600NPCWUS-W

Feature

Thermaltake Smart 600W

Incorporating various high-quality components, the Smart Series - models are rated from 500W to 700W - saves energy through its high efficiency of up to 86% and accommodates any mainstream build with the most demanding requirements. An embedded intelligent cooling fan delivers excellent airflow at an exceptionally low noise level. Additionally, the Single +12V rail design enables non-stop usage with stable and reliable performance.

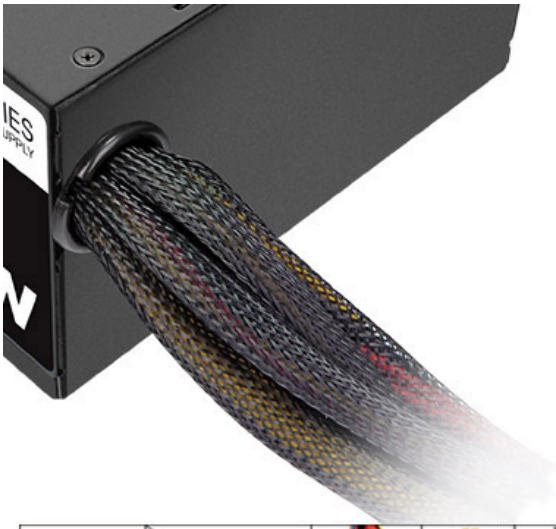

120mm Ultra Quiet Fan

Smart Series adopt 120mm cooling fan delivers excellent airflow at an exceptionally low noise level.

Multiple Connectors

Smart 600W connector's specification as below:

P/N	MODEL	CABLE					
		 Main Power Connector (20+4Pin)	 ATX 12V (4+4Pin)	 Peripheral (4Pin)	 SATA (5Pin)	 PCI-E (6+2Pin)	 Floppy (4Pin)
SPD-0600P	SMART 600W	1	1	3	6	2	1

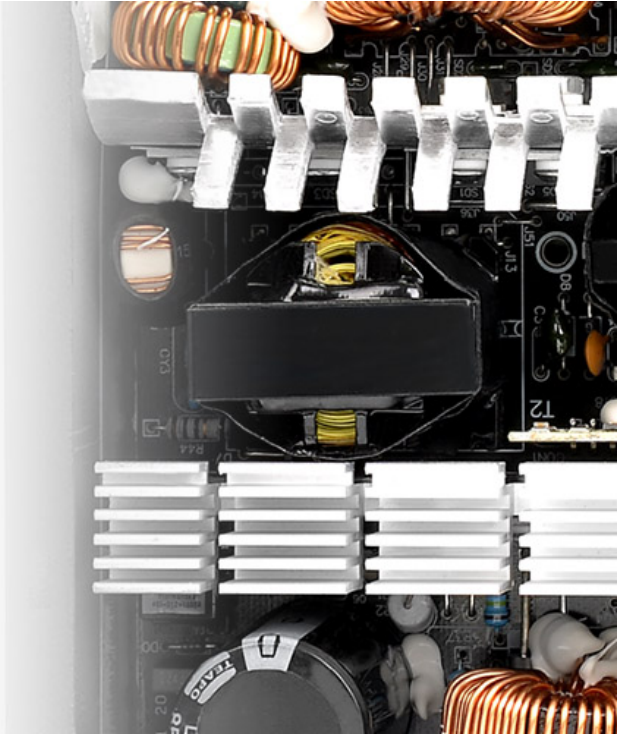

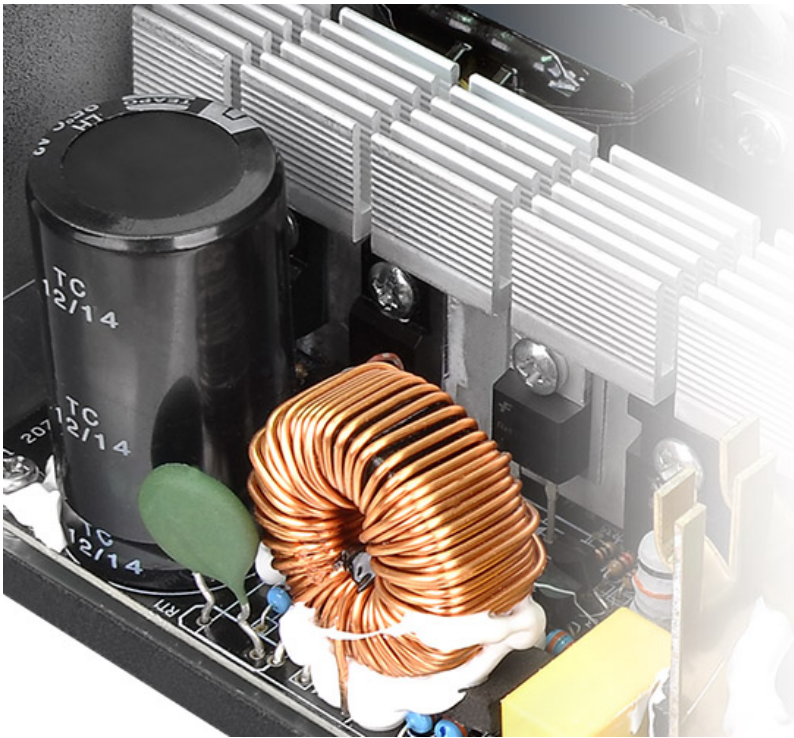

80 PLUS Standard Certified and Haswell Ready

Smart Series saves energy through its high energy efficiency of up to 86% and is 80 PLUS® Standard Certified.

High-Quality Components

High quality components enable non-stop usage with stable and reliable performance, no more capacitor explosion and leakage.

Single +12V Output

Smart Series is equipped with a powerful +12V rail, superior performance under all types of system loading. Please see the output specification below:

	Input Voltage: 100V-240V				
AC INPUT	Input Current: 10A max				
	Frequency: 50Hz-60Hz				
DC OUTPUT	+3.3V	+5V	+12V	-12V	+5Vsb
Max Output Current	22A	17A	42A	0.5A	2.5A
Max Output Power	105W		504W	6.0W	12.5W
Continuous Power	600W
